DISTRICT OF MARYLAND

DEPUTY

Dear Judge Motz:

I am writing to you to let you know that I received 29 separate Exhibits on November 23, 2005. Some of these exhibits have never been seen by me before, and I have been combing thru them since that time.

I wanted you to know that in going thru them, I have noticed that some of those exhibits are incomplete, and don't contain what they are supposed to. In addition some of these exhibits are incorrectly dated and are mislabeled. This is important for you to know as well because these are the same exhibits that were sent to the District Court, and would mean that the court's exhibits are not correct as well.

In addition to all of this, there are exhibits that are not only missing but have never been provided to the Court.

Therefore, I am going to spend the next few days to complete my reading and will send you a Motion to request that the State correct the exhibits that are incorrect, and to submit those exhibits that are missing. I need a few more days since the material that I have to cover is quite lengthy.

Respectfully submitted
